OPT-OUT FORM

At Faith we occasionally use photos of our children involved in Sunday School activities on bulletin boards, in “Welcome to Faith” written materials or on the website. Children are never identified by name in such use.

If you would prefer that your child’s image NOT be used in this way, please return this form to the Parish Ed. mailbox in the office.

You may either completely opt-out of all use, or give specific instructions (for example: bulletin boards are okay, but not the website.)
