## FRIDAY FELLOWSHIP AT FAITH

One of the ways we stayed connected during the pandemic was meeting on Fridays at 11:00 a.m. on Zoom for an hour of fellowship time. Learning to Zoom had the advantage of being able to include many who were unable to make it to church. We support each other through the highs and lows that life routinely distributes, and we especially enjoy telling stories. Laughter is the best medicine, and we try hard to embrace that remedy. We close our time together in prayer for those with specific needs in our congregation and beyond, and also for all those facing uncertainty in health, relationships, or financial matters. Hosting is shared by several members. All are welcome. The link can be found on the homepage or embedded in the Calendar.
