*What is the Spirit stirring in your life?*

### FALL | 2022

#### INTRO TO WOMANIST INTERPRETATION

Rev. Dr. Yolanda Norton

Mini-Course Offering | Wednesdays 6:30-8pm

Sept. 21, 28, Oct. 5, 12, 26, Nov. 2, 9, 16

Womanist interpretation is a growing field in Biblical Studies and Christian Theology. It is rooted in the lived experience of African American women from whose perspective people of faith can hear and understand, in new and fresh ways, God's movement and voice in our world. Over this 8-session course you will explore Scripture from a Womanist lens, and how such readings move us to public, prophetic witness in our various callings as people of faith.

Using the research of Fuller Youth Institute's "Growing Young" study, we will learn key concepts and behaviors that are found in congregations who actively engage youth and young people. We will explore the "6 Core Commitments" that these types of congregations display and learn how to implement them in our own contexts. Any congregation can be successful in ministry with young people, no matter what size, age, demographics, and location. Who should attend? Any and all leaders who are interested in welcoming young people more fully into their congregations! You can be a council member, lay, clergy, youth worker, youth, young adult, grandparent, anyone who cares about young people.
