

Sing For Joy

An Invitation to Sing More, in Worship!

Are you enjoying the return of congregational singing in worship?

Are you enjoying the return of our Chancel Choir and their singing, in worship?

If you attend worship in person...

Do you enjoy singing hymns and liturgy with the choir as they sit with you in the pews, during worship?

Would you like to sing even more in worship?

If your answer is “Yes!”, then the right time to join the choir in rehearsals and services is now!

Rehearsals are 7:30 – 9:00 (at the latest) on Wednesday evenings, and Sunday mornings at 9am. If you can only attend on Sunday mornings, that’s no problem.

Come, join your fellow Lutheran singers!
